

Materials Research Science & Engineering Centers

support interdisciplinary materials research and education of the highest quality while addressing fundamental problems in science and engineering that are important to society.

Brandeis University • Columbia University • Cornell University • Harvard University • Northwestern University • The Ohio State University • Pennsylvania State University • Princeton University • UC Irvine • UC San Diego • UC Santa Barbara • University of Chicago • University of Delaware • University of Illinois at Urbana - Champaign • University of Minnesota • University of Pennsylvania • University of Texas - Austin • University of Washington • University of Wisconsin - Madison

MRSEC Research Experiences for Undergraduates (REU)*:

- 8-10 week paid summer research at MRSEC centers nationwide
- Experience cutting-edge materials research
- Build and develop professional skills
- Open to undergraduates in all science & engineering majors
- Click university names for more info

* *must be US citizen or permanent resident*
